We are pleased to announce the collaborative one-day **RISE UP** Together! Advocacy, Belonging, Collaboration Conference providing ECE Training hours, Transfer and Career information

We invite you to join us for this exciting day of learning!

Purpose: This one-day, multi-track educational opportunity is designed to bring together training in early childhood best practices, career-building, and Transfer options for a day of professional and personal growth.

Content: This collaborative conference is seeking Proposals for Training Sessions on innovative practical experiences, applied recommended practices, and current information related to serving children ages zero to five and their families. Where possible, the Sessions should address Core Content areas (outlined in Kentucky's Early Childhood Professional Development Framework) which define the knowledge, competencies, and characteristics needed by early childhood professionals to work effectively with young children and their families. Please review the Rubric for Classifying Levels of Training to help determine the level of the Training Session. This event will be submitted by KAECE for conference approval, so all contact hours will count toward participants' training requirements.

Audio/Visual Equipment: All rooms are equipped with a computer/projector, document camera, and tables. Presenters only need to bring a flash drive of the presentation. If you have any questions, please contact Derek Holmes at derekeholmes@gmail.com.

Instructions for Submitting Proposals

Proposals should be downloaded into word, completed, and emailed (together with resume/curriculum vitae for presenters without a trainer's credential number) to proposals@mykaece.org . If this is not possible, proposals will be accepted by US Mail to the address below:

The deadline for submission is February 15th, 2024
